Dear Ms. Green:

While researching the FICKEL family history I found the enclosed article from the Ohio Wesleyan magazine. I am interested in learning the names of Miss Ruth FICKEL's parents and her residence prior to attending Ohio Wesleyan so I may establish her line in the family. If you could give me some help, it would be greatly appreciated.

An SASE is enclosed.

Whatever the photocopying and/or research expense, please let me know and I will remit imnmediately.

Thank you for any consideration you may give this request.

Sincerely,

Dear Roena,

I'll bet I sent you more info on the Rutherfords than you ever wanted to know!!!!!

I just received more info on Emma S. and Benjamin J. Fickle from the librarian in Tulare Co. I was about to give up on him. Along with info on Emma he also sent an interesting document about Benjamin J., son of George M. Fickle, I will copy it and send to you as it briefly tells additional tidbits. Good piece of history. Evidently they were living rather close to all the Narvers in Tulare Co., and my aunt and uncle, Mable Narver & Guy Richardson, who lived in Porterville.

I just wonder if any of those Fickle's ever did any genealogy, if so, if they would just possibly know who their Great Great Grandmother was.....Benji's wife....The latest we have is Benj. J. son's obituary but that was 60 year ago.... just a thought...

Anyway, I hope you are ok and doing what you want to do. I am. Ha!

Take care, love, Cuz Helen

Farmer Found Dead In Bed By Brother

Coroner Says Edward Howey Suffered Heart Attack At Home South Of Butler.

The funeral of the late Edward Howey was held Wednesday afternoon at the Johnson home for funerals. The Rev. D. H. Pellett of the U. B. Circuit officiated and burial was made in the Newville cemetery.

Edward Howey Cont-

Mr. Howey was found dead in bed at his home four miles south of Butler Monday morning by his brother, Russell, of Fort Wayne. Edward lived alone and his brother intended to call on him while he was on his way home from Lake James. When he arrived he could not arouse his brother and, accompanied by Thos. Brunson, a neighbor, he forced his way into the house through a window. His brother was dead in bed.

Dr. B. O. Shook of Spencerville the coroner, held an inquest and held that death was due to heart failure. He estimated that Mr. Howey had been read nine or ten hours when found.

Mr. Howey was fifty years of age and lived in Wilmington township most of his life. He was never married and lived with his mother until her death two years ago. Surviving besides Russell Howey is another brother, George, of this city.

Mr. Frickle was driving his car on his way home after spending Easter Sunday at Farmer, O., with a sister, Mrs. Roy Bayes. The crossing is equipped with flasher signals, but Mr. Frickle drove in front of a fast train. His body was crushed. It was taken to the Krill funeral home at Edgerton, where it was later removed to the sister's home at Farmer. The funeral was held in the church at that town Tuesday afternoon and burial was made in the Farmer cemetery.

Mr. Frickle was seventy-four years of age and was a bachelor. He had lived in Ashley many years and was a laborer by occupation.

April 16, 1936 Thurs.

Word was recently received from Jacksonville, Fla., announcing the death of Mrs. Joe Wyatt, a former Butler resident. When the family resided here, Mr. Wyatt was janitor at the public school.

Four of us were dropped off at Minter Air Force Base Intermediate training Field for Cadets who had passed their primary training. We lived in two story barracks on the edge of the Mojave desert. Minter AFB was located near Bakersfield, Ca. My assignment was in the bldg. at the base of the tower near the runways. We kept track of the planes as they left for trng. flights by calling the field where they were going reporting time of departure & that field calling us when they arrived. This recorded on a huge blackboard. We dispersed the parachutes for the trng. officers & maintained the officers flying time. Spent a year there and read orders for Overseas. So back to Oglethorpe, GA for Ft Trng. Completing this we left one night we boarded trains, not knowing where we were going. The train passing through DC during the night we thought probably the ETO. Arrived Camp Shanks. A few nights later we marched down to the pier with our duffle bags, sea bags, rolled blanket, gas mask, musette bag, sacks, which were being stored as we arrived. Went up the gang plank into the Queen Elizabeth. After a big zoggy trip across the Atlantic we arrived at Greenock Scotland. A train took us down to Manchester, a replacement depot. Until trip became available & went to the mail room every AM. & redirected letters that had been returned. Shortly a few of us were deported at a little Air Base called

boy friend who absconded with the money and all of the items. Doris Gross will check on this.
Called Ellen & told her this and said I didn't want my dues paid and suggested we give National $100. each marked for the wreath for the Memorial Day $200.

Dorothy Colontuno's daughter Theresa called today. She is forwarding an invitation for some occasion for the Natl. Pres. to attend. It is from Paralyzed Veterans of America.

Dad died 55 years ago at midnight. It was 1944.

Monday 10/25

① Mailed to Treas. Lois Kincheart request for $25.00 for cost of wreath to be placed at Comrade Wobson's Monument on Remembrance Day Nov. 20, 1999. Mailed letter (copy of) to Shirley Boris with information about Remembrance Day. Letter from Bud Atkinson about cost of dinner & Ball.

② Gwenda called this morning. She had a letter from Linda Bugash, basically complaining the disposition of the Carillon at the Gettysburg visitors Center. Gwenda will write a letter to Linda giving the reasons for not attempting to hold on to the Carillon. They being; the company where it was purchased said it would be probably be impossible to find parts

Sunday
10/24. Its getting quite chilly today & rather windy. Made dumplings for lunch-chicken & baked apples.

Called Mary Ellen Jennings this afternoon. She will find out what we should do with the National 20/4 Banner. National has 2 Banners, one was to be kept here in the area so that it would be available to be carried for the Nat. Dir. V.P. when she came to present the wreath at Arlington Nat. Cem. & such other occasions as should occur. Echelon 6 20/4 removed their banner from the pole and attached the Nat. Banner. The Echelon American flag was used with the Nat. Banner, the 20/4, Nat. Nurses Assoc & USS J.J. items that Flora kept in her Apartment were delivered to Ellen's basement. Sat. morning 10/23 I (Rena Bayes) detached the 20/4 Nat. Banner from the pole labeled Echelon 6 and brought it with me to Carroll Valley.

After talking with Mary Ellen I think it is advisable that we do not pay our $2000 dues but go ahead and turn in our Charter. We should advise National now that that is our intention. Believe we should send National the money to provide the wreath for May 30th 2000. Mary Ellen indicated that the Emblem Sales person had a

to repair it-; the cost of taking it to Springfield would be high-; the lack of space in the museum, etc. It was the unanimous decision of the Exec. Nat Dept Committee, the Exec. Board of the Museum & the vote of the Convention to let Mr. — pick up the Carillon & key board from the Park Service. All this was handled by Gwenda & I have a copy of the letters she wrote.

Dinner at Corby's. Jeni again gave us a talk on wills, trusts & other financial matters.

Talked with Chris. She will have a heart cath on Wed. They will then decide if she should have an aortic pig valve and remove her valve that is only about 1/4 effective.

Iris Robertson called PM 2 of the National 2014. I explained why we had the 2014 Banner and that when it was given to store here in the DC area, we removed our Echelon banner and put the Nat. one on our pole. Iris didn't go to Bivouac or Conv. this year but expects to go next year.

Dear Carole and others researching Mary Fickle Robinett Dunn:

I am new to the Fickle list, having spent many years working on documenting all known descendants of Thomas Dunn of Wythe Co, VA.
I am very interested in learning more about the Fickle family, but first wanted to ask a question about the list of children for Thomas and Mary Dunn that you posted recently.

Can you give your source for this list and for the marriage date for Mary and Thomas Dunn, please? The date of 1772 would be approximately correct, but I am interested in knowing if there is an actual record for this event. Also, Joshua is not a known child of Mary Fickle Robinett Dunn--either by Samuel Robinett or by Thomas Dunn--as documented in the Wythe Co, VA, records.

The documentation of Mary's children comes courtesy of the estate records for John Dunn, son of Thomas and Mary Dunn, who died intestate prior to Jul 10, 1844. His estate settlement lists all his Dunn siblings and his Robinett half-siblings (including those who were already deceased by 1844), as follows:

Settlement of John Dunn estate, Dunn Bogle, administrator.

Distribution of remaining estate was made to "six brothers and sisters of the intestate (including the representatives of three that are dead), to wit, four of the half blood and six of the whole blood" [whole rec'd $39.62, half rec'd $19.81]

Of the whole blood: Thomas, Margaret Devor's heirs, Esther Steele, Elizabeth Fickle, Rachael Bogle, Polly Harman.

Of the half blood: heirs of James Robinett, heirs of Daniel Robinett, Michael Robinett, Anne Waddle.

Recorded in Wythe Court 11 Nov 1844 (source: Wythe Co, VA, Will Bk 6, pp. 257-8)

I can provide additional information on the Dunn descendants to anyone who is interested and I would like to correspond with those of you who are working on this Fickle line. You can reach me directly at skkidd@earthlink.net

Thanks!

Sandra Kidd

When I typed this information, Abstracts of Wythe, Co., VA I had not found that Mary Fickle's first husband was Samuel
Robinett and that they had lived in this same area as Gabriel and a large Robinett clan. Samuel and Mary went to VA. and by the time Mary's mother Margaret (Slaymaker) Fickle made her will in 1795, Samuel had died and Mary was married to Thomas Dunn. I was aware of this and when I found the abstracts of Wythe Co. VA and saw Mary Dunn along with Matthias, Matthias, Jr. and Absalom, I had an idea that she was their sister. No date as to when I typed this but probably around 1985.

I continue searching for a will for Gabriel.
For the names of his other children
A land record of when he may have sold land in York Springs area and perhaps joined children in VA.
Did he have a son Gabriel?
Is the Gabriel found in the 1810 census of Monongalia, VA, his son?
My records show that: Matthias did not have a son Gabriel.
Jonathan did not have a son Gabriel
Joseph did not have a son Gabriel
Benjamin did not have a son Gabriel
Daniel did not have a son Gabriel (if this Daniel is correct)
Isaac ?

Isaac - There is an Isaac Fickle who served in the Revolution from Talbott County, MD.
1781 Maryland Archives xvill. Muster Rolls and oather records of Service of Maryland aTrops 1775 - 1781, Pg. 404. Alphabetical list of discharged soldiers of two Battallions of Militia raised to serve in the Continental Army in the year 1781.
Isaac Fickle is on this list. (National Archives 2nd floor reading room)

There was an Isaac Fickle, Jr. that was apprenticed to a Taylor to learn the trade by his mother by the name Hazzlett. A few years ago I stopped in Fickle, IN and searched in some cemeteries. I found a Fickle stones and beside it was a Hazlett. Sorry I can't put my hands on this information at the moment. I sort of wondered if Isaac, Sr. died young, Isaac, Jr. apprenticed out and his mother married a Hazlett. Well, just supposition but thought it might provide someone with a lead.

Subject: Census and Marriage Records

Hope everyone's having a wonderful holiday weekend. We're still very short of rain but the temperature has returned to normal levels!

To answer Rowena's question . . I'm in Atlanta and have a branch of the National
Archives on the south side of town. I just drove through Pennsylvania twice in July and would have been glad to visit. Maybe the next time.

The last round of letters sent me back to my research papers. Mary and Rowena both touched on some issues I've been pondering.

1. Elizabeth Tatman who married Joseph Fickle: I have a marriage record for Elizabeth Tatman who married Joseph Fickle (I think he's the son of Benjamin and Rebecca Dusenberry) on 30 OCT 1827 in Perry Co.and have been wondering how the two may be related. I found the younger Joseph in 1860 Franklin Co., OH as a widower and now wonder if his wife is the Elizabeth Tatman that Rowena has death information about rather than the elder Elizabeth Tatman.

2. William Fickle born 1793: I also have a marriage record that shows that he married Ann Thompson on 24 MAR 1808 in Fairfield Co., OH. But I can understand Mary's uncertainty because I think there were two William Fickle living in Perry Co., OH in the 1810's. The 1819 tax records list: Benjamin, Joseph, Joseph, William, and William Fickle while 1820 census records show: Benjamin, Jonathan, Joseph D., Joseph G., Rebecca, and William Fickle. I think Rebecca could be the widow of William Fickle who may also be the William Ficle I found in Mason Co., KY. Perhaps he's one of Benjamin's children?

3. Daniel Fickle who married Hester Tipton: 1830 census records show that he had a male and a female (both age 20-29) living with him, but I don't know who they were.
Daniel moved his family to Cass Co., IN in the early to mid 1840's where Hester died 19 OCT 1851. His second wife was Malinda ???

4. Isaac Fickle who married Eliza Tipton: 1830 census records show that he had a male and a female (both age 10-14) living with him who didn't reside with him in 1820. I recently found a marriage record for Isaac Fickle and Mary Tale on 28 NOV 1816 in
Fairfield Co., OH and wondered if the two extra children were from a first marriage. He apparently died before 1840 because the household is listed under her name in that census. I can tentatively identify his son born in the late 1830's, but none of his children. Does anyone have any info about him or his family?

Rowena's letter listed an Isaac Fickle died 30 SEP 1858 and married Mary 25 MAR 1825. The only Fickle listed for 1850 Marion Co., OH is a Sarah age 27. I have no idea who he is. Anyone have any ideas?

5. Edward Fickle who married Rebecca: The only census record I can find for any
Edward Fickle anywhere is for 1830 Center Co., PA which lists an Edward with a son 10 - 14, and two sons 5 - 9. I have found a marriage record for Edward Frickle and Rebecca Miller on 5 JAN 1832 in Wayne Co., OH. Jonathan's name was also spelled Frickle in his marriage record. I'm not sure if he's

married Samuel Gray), John (who was thrice married, first, to a Miss Adams, then to her sister, and lastly to Mrs. Helen Hannah), Holmes (who died while a soldier in the Army), Sarah Jane (married to Samuel Thompson) and Morrison (who married Jennie Osborn). The Moorheads were originally Episcopalians, but the later generations have belonged to the Presbyterian Church.

DR. I. W. PEARSON, York Springs. The first of the Pearson family in America came over with William Penn in the seventeenth century, and were probably from England. The first to come to Adams County, as far as now known, was Elias Pearson, who with his family lived in Latimore Township. He had a son, Isaac, who reared a family in Huntington Township, where he died. Isaac, second, also had a son, Isaac, who married Mary, a daughter of William Wierman, of Huntington Township, and who generally was termed "Prince William," on account of the number of Williams of the same name. Isaac and Mary (Wierman) Pearson had three children: Charlotte; Martha (who married Joel Cook, and resides in Harford County, Md.), and Dr. I. W. The Pearsons were originally members of the Society of Friends. Dr. Pearson was born June 6, 1824, and is the son of Isaac and Mary Pearson, former of whom died when our subject was but four years of age, and latter when he was but fourteen, so that early in life the Doctor was thrown upon his own resources. He was educated in the common schools, and in 1848 began to read medicine with Dr. H. C. Metcalf, of York Springs, completing his medical education at the University of Pennsylvania, Philadelphia, in the winter of 1849 and 1850, and in the latter year located at York Springs. He followed his profession in partnership with his preceptor, Dr. Metcalf, for four years, and since then has been in continuous practice, being at present (1886) the oldest practicing physician in the place. He is ex-president of the county and permanent member of the State medical societies. The Doctor takes an active part in public affairs, and generally votes with the Republican party. He has served in nearly all the offices in the gift of the borough, and was its first burgess; has been councilman and school director, etc. He is a member of the A. F. & A. M. and I. O. O. F. lodges at York Springs, and was a charter member of each; has served two terms as Master, and is the present secretary of the Masonic lodge; and has been a member of the Grand Lodge of Pennsylvania, I. O. O. F. since 1850. He served thirteen years as treasurer of York Springs Building Association, which institution was a financial success. The Doctor married, in March, 1854, Mary Caroline Beales, and they have had a family of six children: Mary E., Charles G. and Isaac W. (twins, the former deceased), Harry B., Francis W. (deceased), and Charles E. Their three sons are all "disciples of Faust" (printers), although two of them are at present engaged in other pursuits.

ISAAC W. PEARSON, JR., editor and proprietor of the *York Springs Comet*, York Springs, was born September 26, 1858. He was educated in the schools of his native place and completed his studies at Shippensburg Normal School; then for three years followed civil engineering on railroad construction. January 10, 1878, he became the proprietor of the *Comet*, a six-column folio, with a subscription of about 200. It was neutral in politics and is so still. In 1880 Mr. Pearson enlarged the paper to a seven-column folio and it has gradually gained in popularity, having now a circulation of about 1,300 copies, 450 in the surrounding counties and other States and the balance in Adams County. Mr. Pearson recently erected a new building on Main Street, York Springs, and occupies the ground floor for his editorial and printing rooms. June 9, 1885, he married Hannah M. Fickel, only daughter of William A. Fickel, of York Springs, born June 28, 1860. On July 21, 1880, were born of this union, Jean and Hazel, twin daughters, an event which occasioned considerable stir in the village. Mrs. Pearson is a member of the Lutheran Church. Mr. Pearson is a member of the I. O. O. F., at York Springs. The predecessor of the *York Springs Comet* was established at Gettysburg in 1874, by A. L. Heiker, and moved to York Springs in 1877. The *Comet* office at present (1886) is fitted with a Rankin cylinder press, its full capacity being about 600 per hour. The office also has two job presses with other fixtures of the most improved kinds.

HARRY B. PEARSON, hardware merchant at York Springs, was born July 8, 1861, and is a son of Dr. Isaac W. Pearson. He obtained his education in the schools of York Springs and when sixteen years old he learned the printer's trade, and opened his present store August 1, 1885. The business has steadily increased and Mr. Pearson carries a full line of hardware, ready mixed paints, guns, powder, shot, etc., etc. Mr. Pearson is a prominent member of both the I. O. O. Subject: Census and Marriage Records

Hope everyone's having a wonderful holiday weekend. We're still very short of rain but the temperature has returned to normal levels!

To answer Rowena's question . . I'm in Atlanta and have a branch of the National
Archives on the south side of town. I just drove through Pennsylvania twice in July and would have been glad to visit. Maybe the next time.

The last round of letters sent me back to my research papers. Mary and Rowena both touched on some issues I've been pondering.

1. Elizabeth Tatman who married Joseph Fickle: I have a marriage record for Elizabeth Tatman who married Joseph Fickle (I think he's the son of Benjamin and Rebecca Dusenberry) on 30 OCT 1827 in Perry Co.and have been wondering how the two may be related. I found the younger Joseph in 1860 Franklin Co., OH as a widower and now wonder if his wife is the Elizabeth Tatman that Rowena has death information about rather than the elder Elizabeth Tatman.

2. William Fickle born 1793: I also have a marriage record that shows that he married Ann Thompson on 24 MAR 1808 in Fairfield Co., OH. But I can understand Mary's uncertainty because I think there were two William Fickle living in Perry Co., OH in the 1810's. The 1819 tax records list: Benjamin, Joseph, Joseph, William, and William Fickle while 1820 census records show: Benjamin, Jonathan, Joseph D., Joseph G., Rebecca, and William Fickle. I think Rebecca could be the widow of William Fickle who may also be the William Ficle I found in Mason Co., KY. Perhaps he's one of Benjamin's children?

3. Daniel Fickle who married Hester Tipton: 1830 census records show that he had a male and a female (both age 20-29) living with him, but I don't know who they were.
Daniel moved his family to Cass Co., IN in the early to mid 1840's where Hester died 19 OCT 1851. His second wife was Malinda ???

4. Isaac Fickle who married Eliza Tipton: 1830 census records show that he had a male and a female (both age 10-14) living with him who didn't reside with him in 1820. I recently found a marriage record for Isaac Fickle and Mary Tale on 28 NOV 1816 in
Fairfield Co., OH and wondered if the two extra children were from a first marriage. He apparently died before 1840 because the household is listed under her name in that census. I can tentatively identify his son born in the late 1830's, but none of his children. Does anyone have any info about him or his family?

Rowena's letter listed an Isaac Fickle died 30 SEP 1858 and married Mary 25 MAR 1825. The only Fickle listed for 1850 Marion Co., OH is a Sarah age 27. I have no idea who he is. Anyone have any ideas?

5. Edward Fickle who married Rebecca: The only census record I can find for any

Hope everyone is having a wonderful holiday season so far. We are still very much
at sea but the temperature has us tossed to normal levels!

To answer Bonnie's question: Tim is Alberta and Jane's fourth of the
children.
Arriving on the south side of town, I see trees, though Pine Ridge is twice
as high and would have been great to view. Maybe the next time.

The last round of visitors sent me back to my camera's menus. May and
Bonnie both provided us some chores I've been procrastinating.

1. Elizabeth Tarman who married Joseph Fiddle (I think he's the son of Benjamin
Elizabeth Tarman who married Joseph Fiddle (I think he's the son of Benjamin
and Rebecca Thornsberry) on 30 OCT 1827 in Perry Co. and have been wondering
how she was related. I found the younger Joseph in 1850 Franklin Co.,
OH (13 & widower) and now wonder if he was the Elizabeth Tarman that
Bonnie has found. Otherwise a third or fourth Tarman.

2. William Fiddle born 1795. I also have a marriage record that shows that
he married Ann Thompson on 24 MAR 1819 in Pickaway Co., OH. Even
moderated Mary's uncertainty because I think there were two William Fiddles
living in Perry Co., OH in the 1810's. The 1819 for certain Ann Thompson
Joseph, Joseph, William, and William Fiddle while 1820 census records show
Benjamin, Jonathan, Joseph (2), Joseph (2), Rebecca, and William. I
think Rebecca could be the widow of William Fiddle who may also be the
William Fiddle I found in Muncie Co., KY. Perhaps he's one of Benjamin's
children?

3. Daniel Fiddle who married Hester Tipton 1820 (source records show that he
he had a male and a female (both age 10-16) living with him who didn't reside
with him in 1830. I recently found a marriage record for Isaac Fiddle and
Mary Tarr on 28 NOV 1816 in
Pickaway Co., OH and wondered if the two extra children were from a first
marriage. He apparently died before 1840 because the household is listed
under her name in the census. I can tentatively identify his son born in
the late 1810's, but none of the children. Does anyone have any info about
him or his family?

Bonnie's letter listed an Isaac Fiddle died 10 SEP 1853 and married May 21,
MAR 1820. The only Fiddle listed for 1850 Marion Co., OH is a male age 22.
I have no idea who he is. Anyone have any ideas?

5. Edward Fiddle who married Rebecca. The only census record I can find for
him
Edward Fiddle appears in the 1820 Green Co., PA which lies to Edward with
a son 10 - 16, and one aged 5 - 9. I have found a marriage record for Edward
Fiddle and Rebecca Miller on 5 JAN 1823 in Wayne Co., OH. Another I note
was also spelled Ford in the marriage record. I'm not sure if he's

"extra" but I also have a marriage record for Edward Fickle and Jane Myers on 11 FEB 1845 in Cass Co., IN.

I happen to know quite a bit about the William Fickle that married Ann Thompson because they ended up living next to my Stewart G. Fickle in Clinton and Tippecanoe Counties in Indiana (but Stewart is not William's son).

I'll have to get back to you about it though as I am presently very involved in getting my children back to school. I am hoping to have some time to devote to the Fickles soon.

My e-mail has been out of service and I have a lot of catching up to do. I'll be in touch. I love this Fickle Family!!

Will answer your letter, Alice, in several parts. I am sending what I have listed as children of Joseph Fickel and Elizabeth Tatman.

I do have one reservation to make on this list. Their son William is listed here as being married to Ann Thompson. I am not convinced that is the case. Anyone else know about him?

Subject: Edward, Daniel and David Fickle of Marion County, Ohio c1839-1844 and Isaac, too!

Hello everyone,

I just received the most interesting court document concerning an Edward, Daniel, and David Fickle in Marion County, Ohio. I am trying to figure out just who for sure these fellows are!

I think Daniel and David Fickle are the folks that end up in Cass County, Indiana on the 1850 census. Daniel is on the 1830 and 1840 census in Marion County, Ohio. David is on the 1840 census in Marion County, Ohio. I believe Daniel is David's father. They are listed in Cass County, Indiana in 1850 as follows:

Cass County, Indiana Jackson Township enumerated 2 August 1850
Index page #483

83	74	Daniel FICKLE	58	M	Farmer	1000	Virginia
		Hitta "	52	F			Pa
		Jackson "	18	M			Ohio
		Sumantha "	13	F			Ohio
		Armantha "	11	F			Ohio
		David TIPTON	76	M			Pa
84	75	David FICKLE	31	M		800	Ohio

		Manington "	9	M			Ohio
		Jane H "	7	F			Indiana
		Emeline 4	F				Indiana
		Wilson	3	M			Indiana
		Anderson	1	M			Indiana

After you read the court paper I've transcribed below, do you think like I do that it is more than a coincidence that David and Rebecca appear to have moved from Ohio to Indiana c1843?

Who is this Daniel? Is he the son of Joseph and Elizabeth Tatman Fickle? I am assuming so since I have that Daniel married to a Hetty Tipton and the Hitta above has a David Tipton, age 76, living with them.

And how about Edward? Is this Edward also the son of Joseph and Elizabeth Tatman Fickle? I have been searching for Edward's probate records (that is how I ended up with this court document!) thinking he may be the father of my Stewart G. Does anyone know anything more about him so I might better track him down? I have information from Mary and from Gary that he was born in 1797 and died in 1846 in Marion County. Do either of you know from where you got that information?? Any information about Daniel, David or Edward would be most helpful!
Also, what does anyone know about Daniel and Edward's brother Isaac (also the son of Joseph and Elizabeth)? I have that he married Elizabeth Tipton in 1825 but that he also married a Mary before then. Does anybody know his children? Another possibility for "my" Stewart...maybe!!??

Anyway, I thought this court paper was fascinating!!! Let me know what you think. I'll look forward to hearing from you.

Hello everyone,

I just received the most interesting email (below) concerning an Edward, Daniel, and David Pickle in Marion County, Ohio. I am trying to figure out just who the three Edwards are!

I think Daniel and David Pickle are the Pikes that end up in Clay County, Indiana on the 1830 census. Daniel is on the 1830 census in Marion County, Ohio. David is on the 1840 census in Shelby County, Ohio. I believe Daniel is Dorcas' father. They are found in Clay County, Indiana in 1850 as follows:

Clay County, Indiana Township enumerated 2 August 1850

After you read the entire piece I've transcribed below, do you think like I do that it is more than a coincidence that David and Rebecca appear to have moved from Ohio to Indiana c1840?

Who is this Daniel? Is he the son of Joseph and Elizabeth Tarman Pickle? I am assuming so since I have that Daniel married to a Polly Tipton and the Ellis above has a David Tipton, age 28, living with them.

And how about Edward? Is this Edward also the son of Joseph and Elizabeth Tarman Pickle? I have been wrestling the Edward's problem (that is how I ended up with this court document) trying to prove the father of my Stewart G. Does anyone know anything more about him as I might better prove that Edward I have information from Mary and how Clary that he was born in 1792 and died in 1866 in Shelton County. Do either of you know from where you got this information? Any information about Daniel, David or Edward would be most helpful.

Also, what does anyone know about David and Rebecca Tipton Pickle, the son of Joseph and Elizabeth? I have that David married Rebecca Tipton in 1825 but that is also recorded a Mary Ann Tipton. Does anyone have children? Another possibility for "my" Stewart...maybe???

Subject: William Fickle's will etc.

Mary,

Thanks for the note and for the great observations!! It's wonderful having someone who has researched the Fickles look over what I have. I greatly appreciate your questions and input!!

As far as Sarah Fickle goes:
I have no idea about her listing both of her parents being born in Ireland? My source is the 1880 Clinton County Census for Washington Township. I can't seem to lay hands on the original copy so will double-check it next time I'm at the NC Archives. A copy of page 85 from the Providence Cemetery Book of Clinton County, Indiana that I received from the Clinton County Archives states that William Fickle was born in Ireland. However, I have several other sources that list his birthplace as Virginia and Pennsylvania!!

I feel quite certain Sarah is the daughter of William and Anna (Thompson) Fickle. Sarah is listed living with Anna Fickle and the "insane" Jane Fickle on the 1850 census. She is married to James Fickle by the 1860 census and the "insane" Jane Fickle is living with them (Anna Thompson Fickle died in 1857). Sarah is also mentioned in William's will.

I am not sure to whom James Fickle belongs!!?? Any help in that department would be much appreciated!!

As for Elizabeth J. Baird, I just had her listed twice. She is Robert M. Fickle's only wife that I have record of. I've since "merged" her files. Thanks for noticing.

How "my" Stewart G. Fickle fits into this whole thing is still SUCH a mystery. He and Eliza are listed "next" to Anna Fickle in 1860 Clinton County, Indiana and he purchases a few items from William Fickle's estate. He also submits a bill against William Fickle's estate for hauling some grain. Is he a nephew, a cousin, or just a neighbor with the same last name!!? I will figure this out.... someday!!

I've included William Fickle's will below. I've been meaning to get it into my Family Tree file anyway so I'm glad you asked for it. I killed the

As for Elizabeth J. Bains, I just had her listed twice. She is Robert M. Fickle's only wife that I have record of. I've since "merged" her files. Thanks for noticing.

How "my" Stewart G. Fickle fits into this whole thing is still SUCH a mystery. He and Eliza are listed "next" to Anne Fickle in 1850 Clinton County, Indiana and he purchases a few items from William Fickle's estate. He also submits a bill against William Fickle's estate for hauling some grain. Is he a nephew, a cousin, or just a neighbor with the same last name!!? I will figure this out.... someday!!

I've included William Fickle's will below. I've been meaning to get it into my Family Tree file anyway so I'm glad you asked for it. I killed the

proverbial two birds!!

Life is good here in North Carolina. Fortunately, we were far enough west to miss the horrendous floods brought by hurricane Floyd. I'm exceptionally busy with my 3 children but I'd have it no other way!! Trouble is, there just isn't enough time left for this crazy family history research!!

I hope all is well for you.

I'll be in touch again soon,

Patricia in NC
P. S. Thanks for the information on Alta M. Fickle. Every tidbit helps!!

Hope everyone has a great weekend!

Alice,

Thanks for all the GREAT! Information. I have yet to digest it all! Will we ever find out who Stewart's and Mariah's parents are? It looks like you've done a TON of work in that arena!

At first glance, I noticed a difference in our records. You have William Fickle, son of Jonathan and Jane O'Hare Fickle, married to a Phebe A. Thompson in Clinton County, Indiana. Of course, anything to do with a Fickle in Clinton County, Indiana is of great interest to me because that is where "my" Stewart ended up. Anyway, I have William Fickle, son of Isaac and Jane Miller Fickle (Isaac being the son of William and Anna Thompson Fickle) married to a Phebe A. ?. Where did you get the marriage information on William Fickle and Phebe A. Thompson? There are so many William Fickles!!

I've attached my report of Isaac's family. Let me know what you think.

Thanks again for all the information! Hope to hear from you soon.

Patricia

Hello to everyone. I appreciate the recent info. I too have Mary Fickle listed as d/o Joseph G. Fickle Since my info is more detailed than what Patricia sent I am attaching a copy for anyone whose is interested.

Sources and endnotes are too numerous so I have excluded them. My original source of information was Everton Publishers CD #15. Other sources include Ohio Marriage Index CD # 400, IGI records from LDS, numerous census records,

information from the Perry County Chapter of OGS, and an assortment of websites.

I have not definitively identified the parents of my "Mariah." My FICKLE file is active and continually changing. Since the last time I sent info on
this family I have received information from the Perry County Chapter of OGS and a website (Joseph G. Fickle was incorrectly identified as the s/o Joseph and Elizabeth Fickle of Perry Co., OH but the info on his offspring was amazingly accurate.)

Mary preceded her information on Mary Fickle with the name and e-mail address
of Preston M. Brown Jr. Since he is the instigator of our current exchange of info I will send a copy to him as well. Allow me to introduce ourselves as a loosely bound group of researchers who are sharing information in order to create the most accurate file possible on the Fickle family.

Mary, I would sent a copy to rootsweb as well but don't know if that site is capable of handling attachments. Any suggestions?

1. Isaac[4] Fickle *(William[3], Joseph[2], Michael[1])* was born April 1, 1815 in West Virginia[1], and died August 9, 1890 in Clinton County, Indiana[2]. He married (1) Sarah E. Wade[3], daughter of William Wade and Nancy White. She was born Abt. May 1837[4], and died January 7, 1877 in Clinton County, Indiana[4]. He married (2) Jane M. Miller[5,6] February 16, 1838 in Clinton County, Indiana[6,7], daughter of Robert Miller and Nancy Bell. She was born September 24, 1816 in Ohio[8,9,10], and died December 22, 1863 in Clinton County, Indiana[11,12].

Notes for Isaac Fickle:
On 1860 census, Isaac, age 44, has a real estate value of $14,000 and a personal property value of $1100.

On 1870 census, Isaac, age 54, is a widower and has a real estate value of $29,850 and a personal property value of $1820. Samuel, age 9, (most probably Stewart's son and my great grandfather) is living with him in 1870 (because Stewart and Eliza are both dead). How is Isaac related to Samuel and Stewart? We don't think that Isaac and Stewart are brothers because in the Marriage Book of Clinton County, May 13, 1830-May 2, 1844, does not list Stewart but lists Isaac and other siblings.

Dan,
Just a quick note to say thank you for posting your family. Later this evening, I will study it. I know I have a Jonathan Fickle and wife Rhoda Skinner, but not Rhoda Carlisle. Do you know the marriage date for your Johnathan and Rhoda? Do you know who Rhoda's parents are? I would like to add Johnathan and Rhoda to the database, so perhaps you could send some dates etc.

Mary

>I am researching JOHNATHAN FICKLE who married RHODA CARLISLE. I know of one
>child so far and that is ELIZA FICKLE who married THOMAS BAILEY. They are
>listed in Brown Twp., Franklin Co., Ohio, according to the 1850 census,
>Next door is Wm. Fickle 24, and Prudence 18, and JOHNATHAN and RHODA with
>children, JOSEPH 15, REBECCA 12, NELSON 10. Just a few doors away is GEO.
>FICKLE 20 and MARGARETTE 22. There is also a ROBT. FICKLE 30 and CYNTHIA
>who is 27 with children Eliza 6, Geo. 4 and Prudence 1. I feel that Robt.,
>Geo., Wm., might be brothers to my Eliza. Johnathan said he was born in
>Virginia. Where? Who are the children of Johnthan and Rhoda? Eliza is
>supposed to be born in Perry Co., Ohio at Somerset. 1860 census shows
Joseph
>Fickle and Nancy with one son Isaac 2. No Johnathan or Rhoda. Have they
died
>between the census and where are they buried?

Hi Dan

I descend from Mariah Fickle who was born c1818 in Ohio and married Ruel Skinner March 19, 1844 in Perry Co., OH before settling in Hancock Co., OH. I've been able to eliminate every Fickle family in Perry Co. as being hers except for that of Jonathan Fickle. I have a marriage record that states he married Rhoda Skinner March 26, 1817 in Fairfield Co., OH. Census records indicate that they settled in Perry Co. before 1820 and remained there until the early to mid 1840s when they moved to Brown Twp., Franklin Co., Ohio. Jonathan died between 1851 and 1859. Rhoda died May 21, 1868 after marrying Stephen Warner in 1860. According to census records they had a total of 13 children. Efforts to locate a will have been unsuccessful, but I am still waiting to hear from a couple of other inquiries.

When and where did Johnathan Fickle and Rhoda Carlisle marry? I have a census record for John Fickle living in Marion Co., OH in the 1820 census but I don't know to whom he was married. I think that the three names (Johnathan, Jonathan, and John) are sometimes interchanged. The two that I've mentioned are the only ones in my database that were born between 1760 and 1810 and lived in Ohio.

There's also the possibility that your Johnathan and the Jonathan I've been chasing may turn out to be the same person. I have many ancestors whose first and second wives had the same first name - I guess that way you don't get in trouble for calling her by the wrong name!

Dan,
Just a quick note to say thank you for posting your family. Later this evening, I will study it. I know I have a Jonathan Fickle and wife Rhoda Skinner, but not Rhoda Carlisle. Do you know the marriage date for your Johnathan and Rhoda? Do you know who Rhoda's parents are? I would like to add Johnathan and Rhoda to the database, so perhaps you could send some dates etc.

Honeymoon in Key West

PAULDING — Brenda Elaine Arend and Gregory Louis Troyer were married recently in St. Joseph's Catholic Church by Rev. David Beck.

Parents of the couple are Mr. and Mrs. Ivan Arend, Route 1, and Mr. and Mrs. John Troyer, Route 1, Oakwood.

Organist was Janet Miller and vocalists were Cheri Hopkins and Caroline Arend.

The bride chose a satin gown with sheer illusion net front and back yoke, stand-up neckline of Venice lace, faux pearls and sequins, tapered sleeves and basque waist. The full skirt was adorned with Schiffli embroidery, sequins and pearls and extended into a semi-cathedral train. She wore a profile satin hat trimmed in lace, flowers and pearls.

MRS. TROYER

Matron of honor for her sister was Debbie Smith wearing a tea-length gown of royal satin with illusion yoke and short lace sleeves. She wore a halo of carnations and baby's breath and carried a single white rose with baby's breath. Bridesmaids similarly attired were Diane Goyings, Sheryl Wannemacher and Patty Cramer, sisters of the bride; Claudia Fickel, Oakwood; and Deanna Grindstaff. Flower girl was the bride's niece, Kimberly Smith, carrying a basket of daisies and carnations.

Serving his brother as best man was Jeff Troyer. Groomsmen were Randy and Steve Troyer, Continental; Chuck Troyer, Fort Wayne; Blane Fickel, Oakwood; and Gordy Miller, Defiance. Ring bearers were Jeremy Troyer, nephew of the groom, and Bradley Cramer, nephew of the bride.

A reception and dance for 350 guests followed at the Paulding Extension Center.

The bride, a graduate of Paulding High School and Ohio State University, was a first grade teacher at Paulding Elementary School. Her husband, an alumnus of PHS and Lima Technical College, is a loan officer at First Federal Saving and Loan, Defiance. He is also engaged in farming.

Following a honeymoon in Key West, Fla., the newlyweds are residing at Route 1, Oakwood.

GRAND MARSHALS — The John Paulding Days parade on Wednesday was led by five grand marshals, each driving an antique farm tractor from the John Paulding Historical Society. They are, from left: Don Stoller of Paulding, Jeff Spangler, Mark Zartman of Paulding. In keeping with this year's theme of "Our Heritage in Agriculture," the grand marshals were chosen because they are recipients of the American Farmer Degree, the highest award given by the Future Farmers of America.
